

ECO Bingo

How to play:

One small step can make a huge difference and one small act can inspire many more.

Each box contains a small change that you could make to help the planet.

Put a tick in the box once you have completed the task.

Do you think you can complete a line before anyone else?

Use a refillable
water bottle

Talk to your
family about
how you can all
recycle more

Help to wash
out food and
juice cans
before putting
them in the bin

Tell two people
why it is
important to
recycle

Help to put the
recycling bin
out

Donate an item
you no longer
need to a
charity shop or a
friend

Put your food
waste in the
correct bin for
a full week

Plant a
vegetable seed
and look after
it.

Explain to one
person how
your rubbish is
used to make
energy
